There is a line dance going around down here called the CANADIAN STOMP,
or sometimes called TWAIN. This is a public reply, since I am including dance steps.

That sounds like Easy Come Easy Go, which is on my Web site at <http://www.io.org/~rfielder/CWLinks.html>

There is a line dance going around down here called the CANADIAN STOMP, or sometimes called TWAIN.

It is the same dance in either case, and it goes to S. Twain's song, "Any Man of Mine".

The first 16 counts consist of a toe, heel and cross the foot diagonally across the opposite foot and hold for 1 beat... twice right, and twice with the left.

Jo : This is a public reply, since I am including dance steps.

That sounds like Easy Come Easy Go, which is on my Web site at <http://www.io.org/~rfielder/CWLinks.html>

It was originally choreographed for Any Way The Wind Blows, by Brothers Phelps

but a lot of people did it to Shania Twain's song, since it fits.

We also have Twain Twax, for the same song, which has since become more popular for that song.

Both get done at every dance I attend.

The steps for Easy Come Easy Go follow.

These are from a sheet from the original choreographer's distribution, as far as I know.
